DESCRIPTION

In the heart of the charming village of Mex, discover this charming triplex in an 18th-century house set on a 403 m² plot. It offers generous living space and reveals the charm of yesteryear with its exposed beams and high ceilings.

Meticulously renovated over the years using top-quality materials, this property will delight lovers of authenticity and old stone.

With a floor area of over 260 m², it features a warm living room with a wood-burning stove for cosy evenings, and a kitchen for gourmets. The four bedrooms and three bathrooms ensure absolute comfort. An additional toilet is also available for your convenience. What's more, the property boasts two ideally appointed offices, perfect for telecommuting.

An additional asset of this property is the carport equipped with a charging station. This is a considerable advantage, offering a practical and ecological solution for owners of electric or hybrid vehicles. This feature demonstrates attention to modern and sustainable needs, adding significant value to this apartment.

With its perfectly laid-out spaces, this property has been designed to meet the needs of families with children. What's more, the exteriors have been landscaped with the utmost care: fruit trees and green spaces invite you to relax on sunny days.

Don't hesitate to visit this magnificent property!
